

How we make a difference

Why make a gift?

The Auckland Choral Foundation was created to support Auckland Choral and to ensure the choir continues to flourish well into the future.

- The Foundation is a registered charitable trust, governed by an independent Board of Trustees.
- Funds are carefully invested so that only earnings are distributed, protecting the value of the endowment.
- This ensures the endowment fund continues to grow indefinitely, providing secure, long-term support.
- Distributions are made strategically to support scholarships, internships, commissions, and the advancement of choral performance.

Email your name and address to:
foundation@aucklandchoral.com

Receipts are issued annually after March 31st for automatic payments, or at the time of receipt for individual donations.

Leave a Bequest

If a gift right now is not possible, a gift in your will creates a lasting impact for Auckland Choral.

Donors enjoy peace of mind knowing they are securing the choir's future.

Wording your will

We recommend you seek advice from your solicitor. In many cases, you may be able to add a codicil rather than drafting a new Will.

Example clause

"I give and bequeath to the Auckland Choral Foundation __% of my estate (or \$amount) to be used as per my letter of wishes, and/or in accordance with the Trust Deed of the Auckland Choral Foundation. The official receipt of Auckland Choral Foundation will be sufficient discharge to my Executors / Trustees." Auckland Choral Foundation Charity Services Number - CC49268.
